

KLOVE radio affects me personally as a resident in the community of Fort Collins because we listen to this radio station daily. We are faithful listeners to KLOVE due to the content of their programming. If it were to change, it would greatly affect our lives. It is positive, upbeat, and most important Christian based. Please do not displace KLOVE with an LPFM broadcaster. KLOVE serves as more than just a radio program to hear good music. It affects our emotional well-being. We hope to preserve the service that they provide to our family. Thank you.
